TO

Extend the Infectious Disease (Notification) Act, 1889, A.D. 1906.
to Districts in Ireland in which it has not been
adopted.

BE it enacted by the King's most Excellent Majesty, by and
with the advice and consent of the Lords Spiritual and
Temporal, and Commons, in this present Parliament assembled,
and by the authority of the same, as follows:—

5 1.—(1) The Infectious Disease (Notification) Act, 1889, shall Extension of
52 & 53 Vict.
c. 72.
extend to and take effect in every urban, rural, and port sanitary
district, whether that Act has or has not been adopted therein.

10 (2) In any such district in which the said Act of 1889 has not
been adopted, that Act shall, for the purposes of section fourteen
thereof (which relates to the operation of local Acts), be treated as
having been put in force on the commencement of this Act.

(3) The expressions "local authority" and "district" in the
said Act of 1889 shall include a port sanitary authority and a port
sanitary district respectively in Ireland.

15 2. This Act may be cited as the Infectious Disease (Ireland) Short title
and extent
of Act.
Act, 1906, and shall extend to Ireland only, and the Infectious
Disease (Notification) Act, 1889, and this Act may be cited
together as the Infectious Disease (Notification) (Ireland) Acts,
1889 and 1906.

20 3. This Act shall come into operation on the *first day of* Commence-
ment of Act
January, nineteen hundred and seven.

4. The enactments specified in the Schedule to this Act are Repeal.
hereby repealed as regards Ireland to the extent mentioned in the
third column of that schedule.

[Bill 259.]

SCHEDULE

ENACTMENTS REPEALED.

Session and Chapter.	Short Title.	Extent of Repeal.
32 & 33 Vict. c. 73.	The Infectious Disease (Notification) Act, 1869	In section two, the words "after the 5 "adoption thereof." Section 3 re.

Infectious Disease (Ireland) Bill.

MEMORANDUM.

The object of the Bill is to provide that the Infectious Disease (Notification) Act, 1889, shall extend to every sanitary district in Ireland, whether it has or has not been adopted by the sanitary authority. This has been effected in England by the Infectious Disease (Notification) Extension Act, 1899, and in Scotland by section 44 of the Public Health (Scotland) Act, 1897.
